8th October 2014

Dear Parents,

Year 5 Trip to SkillZONE - Tuesday 14<sup>th</sup> October 2014

As part of our Personal Health Education we have been lucky to receive a funded visit for Year 5 pupils to the SkillZone Centre in Gloucester.

SkillZONE is a state-of-the-art life size village. It is a fully interactive learning environment set up to teach young people how to recognise dangerous situations and stay safe. There are 16 zones, which will cover a range of scenarios including road, rail and water safety, an internet cafe, as well as opportunities to cover home and personal safety.

During our visit the children will explore 6 or 7 different scenarios including how to keep safe in the home, road safety and internet safety, which are all really important skills for them as they become more independent.

The children will need to leave school promptly as the coach is collecting us at 8.50 am. **Please can the children arrive at school by 8:40am for registration that morning.** We will be returning to school at lunchtime so everyone will need a packed lunch. If you are entitled to free school meals and would like a packed lunch provided please indicate this on the slip so that one can be ordered.

Please complete and return the permission slip to school by Friday 10th October.

It should be a fantastic practical learning experience for the children.

Many thanks

Elaine Parmiter
