Stackpole

All Year 6 had a fabulous week at Stackpole and did many exciting activities. I am sure you will enjoy learning more about what they got up to. Please join us for their special assembly on Friday 13th at 9 am to hear all about it. A special thank you to Mrs. Parmiter, Miss Jeffries and Mr. Dowling for all their hard work and lack of sleep!!

Thank you

A big thank you to the parents who came and attended our meeting about rewriting the anti-bullying policy. We would appreciate the views from a wider range of parents and if you feel you would like to contribute to this please could you write down any responses, ideas to the following questions.

Reporting and recording incidents:

What should parents do?

What should children do?

What should staff do?

What Head and governors should do?

If you want a form to write your ideas down, please ask me, otherwise write them down on anything, as all ideas are welcome.

Website

You will be pleased to know that our Website has now been repaired so hopefully all the links will continue to work again.

Dates for your Diary

Y5/6 Experience Easter 25th
March

Easter Service 26th March.

Other News and information

Safer Internet Day

On Tuesday 10th February 2015, millions across the UK and globally will be celebrating Safer Internet Day. This would be a great time to have a chat with children about staying safe online.

This year the theme is "Let's create a better internet together" and young people will be thinking about what they can do to make the internet a kinder place. Perhaps you could talk to your child about what actions they could take to make the internet a kinder place? For inspiration you can see [videos from young people about what they promise to do on Safer Internet Day](#) at www.saferinternet.org.uk/safer-internet-day/2015/make-a-sid-promise Please see your child's teacher for further information.

A useful leaflet: <http://www.childnet.com/ufiles/Keeping-Young-Children-Safe-Online.pdf>

Read for My School

I am pleased to hear that many of our children are enjoying participating in Read for My School. For any child in Y3-Y6 who hasn't started yet make sure you log on soon and get reading! There are different competitions and prizes most weeks!

Mathletics

Many of the children enjoy the opportunity to go onto Mathletics on a Thursday lunchtime. If there is anyone who would be able to spend some time from 12 to 1 on a Thursday, to help support the children with this, please come and speak to me.

Table races

Well done everyone, it is great to see and hear how well you are getting on. Quite a few children are quickly moving up the sheets. If you want to find out which tables your child is working on please speak to their class teacher.

Dates

Please note the dates for the forthcoming Parents' evenings this month. The first will be on Tuesday 24th February 3.30 – 6.30 p.m. and the second on Thursday 26th 5 .00 – 8.00p.m. The sheet for you to sign to book an appointment will be put up outside your child's classroom on Monday. Please make every effort to sign up to see your child's/children's teacher and hear about all the wonderful things they have been doing.

End of term 3 is fast approaching

I hope everyone has a really good break and holiday. Term 4 starts on **Tuesday** 24th February. Mrs. Carol Dougill will then officially start her role as Head Teacher.
