Welcome Back

Happy New Year to you all!

What a good start we have had to the term. All the children have settled back really quickly, and it is great to see them so excited about their new topics and keen to learn.

As you are aware Mrs. Carol Dougill will be spending one day a week at school this term meeting the children and familiarizing herself with school routines. She really enjoyed her visit this week and is looking forward to taking over after the February half term.

Mrs. Hodges and Miss Turfrey will be teaching Oak class this term. (Mrs. Hodges – Monday and Tuesday; Miss Turfrey – Wednesday, Thursday, Friday)

Our Value this term

This term our value is RESPECT. We shall be thinking about the different ways we can show respect to: others, our environment, to places of worship and different opinions.

Reading- Read For My School

Well done to all the children who did so much reading over the holidays. I have enjoyed hearing about the books some of them read. Coming soon, for all children in KS2 is the "Read For My School" challenge. We have again registered to take part. This was extremely popular with the children last year and many read a large variety of books, including text types they hadn't previously encountered. "Read For My School" has been improved further with an even wider selection of books available online and various other exciting features. More details will follow shortly.

PE Kits

Please make sure PE kits are in school and that the children have a spare jumper available, which they can wear when PE is outside during the winter months. Clothing such as jogging trousers would be ideal for them to wear.

Dates for your Diary

26/1/15-30/1/15 Stackpole residential

13/2/15/ Stackpole assembly

14/2/15 - 22/2/15 Half Term
