FOOTBALL SUCCESS!

Please read our match report written by Lexie Woodley:

On Monday 8th January a team of 8 children went to Cirencester Football Arena to compete in a football competition. Everyone did extremely well. We played 4 games and we won 2, drew 1 and lost 1, so overall we came second. Well done to Oscar, Jasper, Josh, Reuben, Eddie, Fraser and me! Everyone played great football and did as well as they could - it was so fun!

HEALTHY SNACK - Our first healthy snack recipe is an 'Oaty Slice', that is soft and delicious - you can swap the ingredients to whatever you have in the cupboard!

2 eggs, $\frac{1}{2}$ cup oil, $\frac{1}{2}$ cup (or less) of brown sugar, 1 cup low fat milk, 2 cups wholemeal flour, 1 cup rolled oats, 2 teaspoons baking powder, 2 teaspoons cinnamon - then a mixture of seeds and fruit - I used a handful pumpkin seeds, a handful of mixed seed and $\frac{1}{2}$ cup of mixed apricots or cranberries. Beat eggs, oil, sugar & milk together and stir in the remaining ingredients. Squash into a lined tin and bake at 180 for 25 minutes. Cut into squares and enjoy!

If you have a healthy - low calorie snack to share please send it in to the school office.

NEW PARENT GOVERNOR FOR SIDDINGTON - As we did not receive any applications for a parent governor at the last request, Maisie England, who is currently a co-opted governor - will transfer her position over to that of parent governor as she lives in Siddington and her daughter is starting with us this September. Welcome to the governing body team

HEAD PARENT CHAT - The Kemble parent / head chat is Thursday 18th at 2:15 in the blue room - we will be discussing healthy eating & lifestyle choices and keeping fit!

ATTENDANCE - One of our targets as a school is to make sure children come to school as often as possible so that learning is not disrupted. Schools cannot authorise holidays that are outside of the terms - 12 weeks are allocated holiday times and we ask parents to book time off in these 12 weeks. Also, please make sure children come to school as often as they can even if they have a cough or a cold - that is quite alright! It is only when a child has a high temperature that we ask parents to keep children off. And for sickness and diarrhoea of course. Have a look at how we are doing so far this year:

	Kemble 4 th	Siddington 4 th
All pupils	96.44	93.4
Boys	96.5	94.4
Girls	96.4	92.1

We need to aim for over 95% each term - good schools achieve 97%!

TEACHING STUDENT - we are pleased to tell you that Miss Jessica Garrett will be working with the Early Years team in the reception class from 25th January - welcome to the school!
