Dear Parents,

Easter Service

Easter has come along so quickly this year! We look forward to welcoming all parents to Kemble church on Thursday 29th March at 9:15am

Year 6 Residential To Avon Tyrell

25 year six children set off on a snowy Monday morning to make their way to the New Forest for our week long residential, with Aryan bravely coming to join us on Tuesday afternoon. It was certainly a busy week with 5 fun activities packed into each full day.

We were treated to a choice of hot food each meal time and were certainly glad of the energy to keep going.

Everyone took part in a range of activities including ropes, zip wire, canoeing and archery during the days.

All the children had their favourite sessions and there were some that were certainly a little more challenging.

The evening activities began with a night walk which included a little history and some exciting experiences including creating blue sparks with sugar cubes. The egg drop challenge required ingenuity, although sadly some of the eggs didn't survive their fall to earth!

A disco showcased some superb dancing skills and a campfire on the final night provided great entertainment and some fun toasting marshmallows over the fire.

Year 6 Residential To Avon Tyrell.

Everyone worked well in teams, displayed courage and teamwork and showed a great spirit, showcasing themselves and the partnership. They all deserve to be very proud of themselves.

A fantastic effort by everyone and it was a pleasure to spend the week with the children.

Mrs Parmiter, Miss Hancox and Ms Wyatt

Sports equipment - We are really pleased that the children are enjoying our new outdoor gym equipment. After having a go, it was pointed out to me that there is an age limit of 11 years!

Clubs

A reminder that there are no clubs running after school this week other than Martial Arts on Thursday. After School club and Breakfast club are running as normal. Clubs will restart the second week back in Term 5. Please remember to return your clubs form and your school dinner form for Term 5 if you have not already done so

Easter activity ideas:

Arrange a picnic and rounders with a group of friends from school

Pop to Cirencester museum

Go for a local walk with a group of friends - Thames Path or Canal Path

Plant some vegetable seeds, carrots, radish and lettuce are easy to grow for children. Or maybe have a sunflower competition - see who can grow the largest in your family and then the seed head can be used to feed the birds in autumn and winter.

Visit Kemble play park - it is great when a group of children meet there to play - adults can chill and watch the fun!

Visit a local farm to see young animals - Butts Farm is close

Write an Easter poem and decorate the paper with an Easter theme

Make some hot cross buns or Easter biscuits

Wildlife Club

Here is a picture of the members of Wildlife Club planting some spring flowers donated by Malmesbury Garden Centre. A big thank you to Mrs Latimer for running the club.

What's happening in term 5 and 6

Term 5 is the lead up to our assessment period at school and we ask parents to try to make sure all children come to school and not to book appointments within the school day so that children's learning is not disrupted. Our attendance has improved a little this year, but it is still not up to national figures - thank you very much.

Term 6 will have all the usual exciting activities, sports days, trips and visits, and end of year performances by our Key Stage 2 children. Over the past 3 years we have had special learning weeks, we have carried out One World weeks and an enterprise week.

This year we are organising a very special week for after half term - a surprise for the children, but a lovely one that we know they will really enjoy!

Goodbye Mrs Cloke -at Siddington, we all want to say Good Luck to Mrs Cloke who leaves on Thursday (our end of term) and we wish her every success in her new job in Wiltshire.

It leaves us to wish everyone a very happy Easter - have a super 2 week break and we look forward to seeing everyone back safe and sound on Monday 16th April when we welcome our two new teachers at Siddington School Mrs James in Reception and Miss Gregory in Year 1 / 2.

April Birthdays

Georgia, Sophie, Louis, Blossom, Isabella, William L, Ted, Harry E, Lara
